To the Worship Master and Brethren of Coquetdale Lodge

Dear Brethren

A huge thank you for your most generous donation to our squirrel group in Coquetdale. I'm sure you are aware of the plight that our native red squirrels face and we are doing everything in our power to try to conserve this little mammal, in the face of serious adversity.

Your donation will go towards this fight and in particular providing food to improve the prospects of winter survival, one of the main causes of mortality in red squirrel populations.

As a thank you for such generosity, we would like to extend an invitation to members and guests of Coquetdale Lodge to come and spend a day with us. We can show you around our area and explain what we do, where we do it and how we do it. Quite apart from the squirrels, the Upper Coquet Valley is a beautiful and scenic place to visit, and we would be delighted to take brethren on a tour. We will provide transport and refreshments and there will be no walking necessary, other than an optional opportunity to visit a couple of sites where we have feeders installed. They are very close to where we can park!

Yours faithfully

Judith Woolley

Treasurer, Coquetdale Squirrel Group
